Other members of the planning committee for the activities of the junior colleges are Joe Gadden, El Camino College Foster Davidoff, Compton College, Russ Mohn, Pasadena City College and Robert Fitzgerald, Santa Monica City College.

### Christ-Science Stresses Power Of Prayer, Sun.

The healing power of scientific prayer will be stressed in the Lesson-Sermon on "Matter" at all Christian Science services Sunday. The Golden Text is from Isaiah (42:8), "I am the Lord; that is my name; and my glory will I not give to another, neither my praise to graven images."

Scriptural passages include an account of the healing by Jesus of the lunatic boy, and of his reply to the disciples who came to him "apart, and said, Why could not we cast him out? And Jesus said unto them, Because of your unbelief: for verily I say unto you, If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you. Howbeit this kind goeth not out but by prayer and fasting" (Matt. 17:19-21).
